

## HAMPTON, PHOEBUS AND OLD POINT—Continued.

SOUTHERN PORTS  
FORGING AHEAD

Country's Export Business Shows  
a Remarkable Growth  
for New Year.

## TRADE IN BEEF NEVER LARGER

Japan Only Country That is Not Buying as Heavily as Heretofore But That's On Account of the Army Not Needing Foodsuffs—Canned Beef Exports Show a Decrease.

Exports of meats in September and the nine months ending with September, 1906, showed a marked increase over the corresponding periods of last year.

The preliminary figures of the Bureau of Statistics of the Department of Commerce and Labor show that the value of meat and dairy products exported from the principal ports of the United States in the month of September, 1906, was \$16,008,270, against \$12,799,893 in September, 1905, and \$11,894,822 in September, 1904.

For the nine months ending with September the value of meat and dairy products exported was \$147,795,647, against \$122,544,314 in the corresponding months of 1905 and \$109,369,576 in the corresponding period of 1904.

## Canned Beef Not in Demand.

The only class of meat products showing a marked decline in exports is canned beef, of which the exportations for the nine months of the present year are 31,000,000 pounds, against 52,500,000 in the corresponding months of last year, a part of this decline being due to a large reduction in the demands from Japan, to which the exports of canned beef were 14,500,000 pounds in the eight months ending with August, 1905, and but 99,000 pounds in the eight months ending with August, 1906.

In most other classes of meats the figures of 1906 show an increase over these for the corresponding period of 1905.

## Fresh Beef Trade Immense.

Fresh beef exports amount to 202,000,000 pounds, against 185,000,000 in the corresponding months of last year; salted beef, 55,500,000 pounds, against 48,000,000 pounds in the corresponding period of the preceding year; bacon, 291,000,000 pounds, against 207,500,000 in the same months of 1905; fresh pork, 112,000,000 pounds, against 106,000,000 in the corresponding period of the preceding year; and lard, 526,500,000 pounds, against 485,500,000 in the corresponding months of 1905.

Dairy products also show a marked increase in exports in 1906 as compared with 1905. The quantity of butter exported in the nine months ending with September, 1906, is 21,500,000 pounds, against 9,000,000 in the same months of last year and of cheese 18,500,000 pounds, against a little over 6,000,000 in the corresponding months of 1905.

## Where There's a Falling Off.

While the exports of meat and meat products generally show an increase, those of food animals—cattle, hogs, and sheep—show a decline.

The number of cattle exported in the nine months ending with September, 1906, was 351,025, against 399,473 in the corresponding months of last year, the value in 1906 being practically the same as that of 1905.

Of sheep the number exported in the nine months ending with September, 1906, was but 112,210, against 164,913 in the same months of last year, the value falling from over \$1,000,000 in 1905 to \$617,329 in 1906. Live cattle form an important feature in the export trade of the United States, their total value having grown from \$34,500,000 in the fiscal year 1896 to \$42,500,000 in 1906.

## Breadstuffs Sell Well.

Breadstuff exports also show a large increase over last year and the year before. The value of breadstuffs

## WEAK KIDNEYS MAKE WEAK BODIES

Kidney Diseases Cause Half the Common Aches and Pains of Newport News People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking-down.

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood.

Aches and pains and languor and urinary ills come and there is an ever-increasing tendency toward diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every kidney ills. Newport News cures are the proof.

Mrs. J. E. Downing, wife of J. E. Downing, contractor, residence, 231 Thirtieth street, says: "If all who suffer from pain in the back could have it removed as quickly and thoroughly as Doan's Kidney Pills removed mine, then backache or kidney complaint in any form would cease to exist in Newport News. The relief from this preparation was so positive that I think all sufferers from backache should know about it. This is my reason for publicly endorsing it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

exported from the principal ports in the nine months ending with September, 1906, was \$130,500,000, against \$87,000,000 in the corresponding months of 1905 and \$68,000,000 in the corresponding period of 1904, though this total is less than that for the corresponding months of 1903 or 1901.

Cotton exports show a reduction of about \$5,000,000 in the nine months ending with September, 1906, compared with the corresponding months of 1905, and mineral oil exports an increase of about \$3,000,000.

The five great groups—breadstuffs, meat and dairy products, live animals for food, cotton, and mineral oil—show a total exportation of \$574,000,000 for the nine months ending with September, 1906, against \$518,000,000 in the corresponding months of 1905 and \$465,500,000 in the same months of 1904.

## Southern Ports Going Ahead.

One noticeable feature in the statistics of exports of certain of these articles is the trend away from the extreme North Atlantic ports especially in corn.

The quantity of corn sent out of Boston in the nine months ending with September, 1906, was but 8,500,000 bushels, against 9,500,000 in the corresponding months of the preceding year; from New York 17,250,000 bushels in the nine months ending with September of the present year, against 21,750,000 in the same months of last year; while from Philadelphia the exports in the nine months of 1906 were 8,000,000 bushels, against 5,000,000 in the same months of last year; from Baltimore, 20,000,000, against 5,250,000 in the corresponding months of last year; from New Orleans however, the exports of corn are slightly less than those of last year, the total for the nine months of the present year being 4,750,000 bushels, against 16,500,000 in the corresponding period of 1905.

## As to Wheat Exports.

In wheat exportations the southern ports also show large gains. From Galveston 7,250,000 bushels were exported in the nine months ending with September, 1906, against 750,000 in the same months of last year, and from New Orleans 3,233,000 bushels, against 118,000 bushels in the corresponding months of last year.

Increases in the exportation of wheat from other ports are however, also large, since the total wheat export in the nine months ending with September, 1906, was 36,500,000 bushels, against a little less than 4,000,000 in the corresponding months of last year.

## "Will You Pay the Price."

Rev. J. W. Porter, D. D., of the Newport News Baptist church, will make the address before the men's meeting in the Young Men's Christian Association this afternoon at 3 o'clock. Dr. Porter will take as his theme, "Will You Pay the Price."

PHOEBUS ATHLETICS  
WIN FIRST GAME

Defeated Portsmouth Naval Training School Eleven, 15 to 0, on Home Diamond.

## SLADE, OF PORTSMOUTH, INJURED

He is Carried to the Home Hospital With Several Ribs Broken—Henshaw Received Ugly Cut Over the Eye—Gadol Distinguished Himself With Kick For Goal at 40 Yards.

By the score of fifteen to nothing the Phoebus Athletics won their first game of the football season on the National Soldiers' Home gridiron yesterday afternoon, defeating the strong eleven from the United States training hospital in Portsmouth.

The contest was a hard fought one. Portsmouth putting up a stiff fight, but was unable to score. The feature of the contest was the work of Gadol, who kicked a goal from the thirty yard line. Henshaw made one of the touchdowns and Carroll was sent across the line for the other. Gadol kicked one goal and missed the last chance.

Player Injured. During the game Slade, of Portsmouth, was so badly injured that he had to be taken to the Home hospital. He is suffering from several broken ribs and other injuries. He will be taken to Portsmouth today if his condition warrants removal. Henshaw, of Phoebus, received an ugly looking cut, of two inches, over the left eye.

The crowd in attendance was large, considering the rain and the game elicited much enthusiasm among the lovers of the pluckin game.

## The Line-up:

Phoebus. Positions. Portsmouth.

Pemberton ..... Duncheski

## MR. HUDGINS TO RESIGN.

Will Tender Resignation as President of Hampton Chapter, D. of C.

Mrs. Robert S. Hudgins, the president, yesterday issued a call for a special meeting of Hampton Chapter, Daughters of the Confederacy, in the auditorium of the Young Men's Christian Association on Tuesday afternoon.

Mrs. Hudgins will at this session, very likely, offer her resignation as president of the chapter to become effective in January.

Reports from the delegates attending the state chapter meeting in Wytheville will be heard.

## PERSONAL NOTES.

The Coming and Going of the People

You Know.

Miss Annie Richardson left yesterday for Norfolk, where she will visit for a few days.

Mr. and Mrs. Frank Larabee, who have been visiting in Washington, are expected to return to Phoebus tomorrow morning.

Mrs. Thomas G. Parker and son, Master Arthur Parker, have returned to Portsmouth, after a visit to Mr. and Mrs. W. F. Larabee in Willard avenue, Phoebus.

Mr. and Mrs. Thomas A. Murray, Miss Anne Murray and Master T. A. Murray, Jr., have returned from Alexandria, where they attended the marriage of Mr. Murray's sister.

Miss Bessie Lee Booker and Miss Mary Willis Booker are the guests of a house party at Willoughby Beach given by Mr. and Mrs. Shirley Carter, of Powhatan.

Miss Coolidge to Sing. Miss E. E. Coolidge, of the Hampton Normal School, will be the soloist this morning at the Hampton Presbyterian church.

Fresh Hyacinths, Etc. Just received a fresh supply of hyacinth, tulip, narcissus, jonquil and Chinese lily bulbs. GEORGE R. WOOD. Phone, 486. 9-25-06.

Try Hull's Little Liver Pills for biliousness, constipation and torpid liver. 40 doses, 10c. A splendid after dinner pill. 9-9-06.

There are three ways of dressing—good, bad and indifferent.

It all depends on the price you pay, your own ideas, and the tailors who do the work.

\$25 to \$35 is a lot of money for bad or indifferent clothes, but placed in the hands of the right tailor it means a suit that is good.

If your inclination runs to that amount we would like to do you the good service of taking your measure.

500 patterns of high grade fabrics to select from.
